UNITED STATES OF AMERICA
CLERK U.S. DIST. CT.
S.D. OF AKA - FTL
Lionel Hanna

Lionel Hanna (pro se, hereafter denoted; Hanna) send This foregoing
"Additional Supporting Grounds For A Hearing in regards To: MOTION FOR
New Counsel----". And Hanna alleges:

A) This cause should not be put To Trial because arresting STATE
officials illegally searched the car which Hanna was in, attained their
warrant by concocted illegal means and tampered with evidence by
committing theft of some of the money and jewelry that was seized
[AT The arrest[money]] during and from the search of Hanna's residence;

B) Hanna received a notice stating that STATE officials had seized
\$30,490.00 And The Prosecutor said that STATE OFFICIALS confiscated
\$28,000.00 — Also, within the Government's response its dictate that
STATE OFFICIALS TOOK \$2,235.00 from Hanna's pockets. see: Government's
response---, evidence property form. Hanna opposes the amount that
was removed from His pockets because only one STATE OFFICIAL was
present at removing of money and witnesses did see that state official push
Hanna on the ground remove the money which was over \$2,500 and one
officer has confirmed such To Hanna;

C) AT This Time Hanna is NOT revealing all OF His
evidence and allegations however, referring

To The valuable Jewelry which was and is partially owned by Bernadette McLeod The woman (Girl friend) That has been living intimately with Hanna for well over Ten(10) years, see motion for New counsel --, p. 2, par. 6 — Being That State officials is stating that they only confiscated a Total of Five(5) pieces of Jewelry #1) watch Piaget #2) Watch #3) ring #4) Necklack #5) Earrings — Hanna contends that there was "much more" valuable Jewelry seized and removed from His resident — And just to identify a few [not all]: Large Africa Gold Coin with Two rows of diamonds encircled around it, An 18th century Five(5) dollar Gold Coin encircled with two rows of diamonds, A very heavy Gold bullion'like chain with removable thick broach with blue stone in center. — Hanna asserts that the Valuable Jewelry and money that is not accounted for has been stolen by state OFFICIALS. Nevertheless, Hanna would like to resolve His claim of Theft by state OFFICIALS without resorting to the Internal Affairs; And at an open or closed hearing, Hanna would put forth (as here) Fruit of a poison tree.;

d) Hanna sayeth That He's not try'n to be dilatory in This cause but, He would like to be afforded the opportunity to try to retain an Attorney that would make sure that His case and accusations are Fully investigated. No effort to investigate case or accusations has been done by the court appointed COUNSEL;

E) Even though, at This Time Hanna did not reveal all His evidence and allegations, He contends That state officials conspired in criminal activity by concealing, stealing money and Valuable Jewelry, evidence that connects with this cause. The court, neither The Government should not stand easy To The state officials Tampering, concealing and the Stealing OF evidence.

Prayers

Hanna prays in This foregoing "Additional Supporting Grounds---" that The Honorable Court would award a hearing or any other resolving means that the Court deems would be appropriate To This cause.
